Continuous Improvement Plans (CIPs) – Board

Action to be taken: No action required. Action will be requested on April 23rd on the individual building CIP summary statements.

In the board packet of materials for the March 12th meeting, board members received electronically individual building summaries for review – action will be requested on April 23rd.

At this meeting the board will consider a conceptual plan presented by the administration which incorporates a variety of opportunities for board members to become familiar with the CIP process, how it is accomplished at schools, and its tie to the ENDS.
