National School Board Association (NSBA) Resolution on "Sequestration" – Board

Action to be taken: I move the Board adopt Resolution 1021 as presented.

The Board has received a request from NSBA to pass a resolution with regard to sequestration urging Congress and the Federal Administration to mitigate the across-the-board cuts to education that are scheduled to occur January 2, 2013.

Attached is Resolution 1021, prepared based on the NSBA offered draft, to that purpose.

The Board will discuss the resolution and, if agreed, will take action to adopt it.
