CONSENT AGENDA

Interlocal Agreement – Purchasing Agreement with ESD112 – Kuper/Maybee

Action to be taken: I move the board adopt Resolution No. 1151, authorizing the Superintendent to enter into an Interlocal Agreement with the Educational Service District (ESD) 112 to engage in the cooperative purchase of personal protective equipment and supplies.

The ESD112 has, in the past, competitively bid and awarded contracts on behalf of Washington State school districts in compliance with local, state and federal procurement laws and regulations. It is currently competitively bidding for a contract to procure personal protective equipment and supplies. The prices established by this RFP on behalf of all school districts in the State of Washington, regardless of their size or purchasing power, will afford the districts the best possible purchasing opportunities for personal protective equipment and supplies.

Jake Kuper will be available to answer questions.
