

This Local Agreement (“Agreement”), effective as of the last date of signature (the “Effective Date”), is made by and between the University of Washington, a public institution of higher education and agency of the State of Washington having administrative offices at 4333 Brooklyn Ave N.E., Seattle, Washington 98105 (“UW”), and the Issaquah School District a municipal corporation and subdivision of the State of Washington having administrative offices at 5150 220th AVE SE, ISSAQUAH, Washington 98027-2899 (“District”) (each individually a “Party” and together the “Parties”). UW and District hereby agree as follows:

1. Background

- 1.1 UW offers the UW in the High School program (“UWHS”), which trains District teachers to teach UW courses, and awards UW credit to District students who register for UW credit and successfully complete these UW courses.
- 1.2 District desires to participate in UWHS. The specific courses, District instructors of record (hereafter “Teachers”), and participating District schools (hereafter “School” or “Schools”) participating in UWHS are specified in Exhibit A. The details in Exhibit A are subject to change, based on communication between UW and the School/District.
- 1.3 The National Alliance of Concurrent Enrollment Partnerships (“NACEP”) accredits UWHS. With this national accreditation, the UWHS program meets or exceeds all Washington state rules for “College in the High School” programs. These state rules mirror every NACEP standard in the areas of partnership, students, curriculum, assessment, faculty, and program evaluation.

2. The Program

- 2.1 Student Recruitment. Recruitment of qualified and eligible students will be the sole responsibility of District Teachers and District administration.
- 2.2 Student Eligibility. Per Washington State legislation for “College in the High School,” students in 10th, 11th and 12th grade are eligible to register for college credit for these courses. Students taking any course for UW credit should have earned a grade of B+ or above in previous courses in the subject area, or have the permission of the instructor. Students must complete any prerequisite courses in the high school before enrolling in the UW course. Details are on the UWHS web site under “Who Can Enroll” (<https://vwww.uwhs.uw.edu/students-parents/who-can-enroll/>). School/District is responsible for ensuring that only eligible students, as described above, are provided the option to register for UW credit.
- 2.3 Courses.
 - (a) UW courses will be taught in rooms provided by the District and/or School during the 2020-21 academic year. Specific course dates will be determined by the District, which will communicate course plans to UWHS. UWHS will coordinate registration and other procedures.
 - (b) Specific to UW French, German, and Spanish courses, mixed-level courses are prohibited. All students in the classroom must be taking the same course and be at the same level of learning the language. For example, a FRENCH 103 course will include only students taking FRENCH 103, and will not simultaneously have students at a higher or lower level of French in the classroom at that time.
 - (c) If a UW course in the high school must shift to hybrid or remote learning, in which part or all of the course instruction occurs without in-person, classroom-based instruction, the teacher will complete a course contingency approval form provided by UWHS. This form will outline the teacher’s plan for conducting the course in this new format. The teacher will submit this to UWHS, and the form will then be routed to the appropriate, discipline-specific UW faculty for review and approval. If the faculty have concerns, the teacher will be contacted to revise their plan. If the plan is ultimately denied by faculty, the UW course will be cancelled for UW credit and fees paid by and for all UW-registered students will be fully refunded.
- 2.4 Co-offering of Courses. School or District may not combine a UW course with those offered by other “College in the High School” providers within the same course section. If desired, School or District may offer courses from different providers in separate course sections. In some circumstances, school or District may co-deliver a UW course alongside an Advanced Placement (AP) course, with the same teacher and students in the same classroom.

School or District personnel should contact UWHS to confirm which UW courses are approved for co-delivery with an AP course.

2.5 Teachers.

- (a) Teachers must be approved and trained by the appropriate UW academic departments to teach the specific UW course. The approved and trained teacher serves as the instructor of record and the primary instructor of the course. Other school personnel not approved and trained specifically for the UW course through UWHS cannot serve as graders, readers, or primary instructors of the UW course.
- (b) If a teacher is to serve as a mentor for a student teacher at any point during the UW course, the teacher must notify UWHS and outline the proposed role and responsibility of the student teacher. This proposal will be routed by UWHS to UW faculty for review and approval. The student teacher cannot perform duties in the UW course until the faculty approves of the proposed role and responsibility within that course.
- (c) Teachers must complete a program orientation and attend discipline-specific training before teaching the course. To remain active with the program, Teachers are required to attend discipline-specific training at UW every other year, and these trainings are offered at least annually by UWHS.
- (d) If a Teacher must take a leave of absence from teaching the UW course for longer than two weeks, or there is a change in which teacher is offering the UW course, the District must contact the UWHS office as soon as that information is known. The District is responsible for locating a qualified substitute teacher who meets the UW standards for teaching the course. While the goal is to ensure continuity of the UW credit offering, UWHS reserves the right to cancel the UW course for UW credit if the academic integrity of the course will not be maintained to UW standards.
- (e) Teachers must communicate with the UWHS liaison assigned to that course to arrange and host a virtual course observation in a timely manner. In the 2020-21 school year, no in-person visits will be performed. All course observations and review of class materials by faculty will occur through web conferencing or other online methods. A copy of the UWHS observation report will be shared with the Teacher.
- (f) Other than the Teacher Honoraria below, District is responsible for payment of Teacher salary and benefits.

2.6 Teacher Honoraria. UW will pay \$350.00 per course to the Teachers for handling non-instructional requirements (e.g. student evaluations) for the program as well as \$100.00 per day for teachers to attend UWHS discipline-specific training.

2.7 Maximum Enrollment. Total enrollment in any section of a course should not exceed 32 students. In accordance with UW policies, the maximum section size is lower for Biology (24 students), Chinese (22), English (23), French (24), German (25), Japanese (22), Korean (22), and Spanish (25). Schools must make all reasonable attempts to not exceed these class sizes.

2.8 Maximum Number of English Sections. Maximum Number of English Sections. For UW English courses, it is recommended that UWHS instructors teach no more than two sections of UW English per semester or three sections for year-long courses with each section capped at 23. UWHS instructors may teach a maximum of three sections of UW English for semester-long or year-long courses, provided that the combined total number of students across the UWHS sections does not exceed 80. Course Materials. UWHS will provide Teachers with tests, quizzes, and other materials routinely provided to instructors of the course on the UW campus. Specific to the UW course(s) they teach, teachers will use UW syllabi, texts, quizzes, tests, grading procedures and scales, and any other curricular materials as required by the appropriate UW departments. If a teacher did not teach the UW course in 2019-20, the teacher is required to submit their UW syllabus to the UWHS office for review, prior to the UW course beginning in the high school. Registration forms will be distributed to Teachers after the UW syllabus has been reviewed by program staff. The UW syllabi are also reviewed and approved by UW faculty overseeing the courses. It will be the responsibility of the District or the individual students to purchase any required texts.

2.9 Disability Accommodations. For UW-registered students, any accommodations for individual students that have been approved at the high school must also be approved by the UW Disability Services Office. To make an

accommodation request or obtain more information, students, parents, or school staff must contact the UW Disability Services Office.

- 2.10 **UWHS Liaisons.** UWHS will provide liaisons, appointed by the sponsoring UW academic departments, to visit the courses through web conferencing, as well as to work with the teachers during the school year. These liaisons will have completed state and national background checks prior to visiting the UW classrooms in the District. In the 2020-21 school year, no in-person visits will be performed. All course observations and review of class materials by faculty will occur through web conferencing or other online methods.
- 2.11 **Guest Speakers.** On occasion and by request from the School/Teacher, additional guest speakers from UW may visit the School. The School is responsible for advising the guest speaker of any security or screening requirements prior to their school visit.
- 2.12 **Evaluation.** For every UW course, Teachers will administer the standard UW end-of-course evaluations with those students registered for UW credit. The evaluation results will be shared with the appropriate UW academic department and the Teacher. If the UWHS program determines that these evaluations cannot or should not be conducted as expected, UWHS will notify the teacher that evaluations will not be conducted.
- 2.13 **Grades.** Upon completion of courses, teachers will use the UW grade scale and UW grade policies to submit to the UW a numerical grade on the 4.0 scale for each student registered for UW credit. These are UW grades and must be calculated and reported solely in accordance with UW policy, independent of any school or district grade policies regarding high school grades reported for these UW courses on the high school transcripts. Should the District not adhere to these grading requirements for the UW grade, UW will cancel the course for UW credit and refund all student fees that were paid; no UW credit will be granted for the course.
- The UW grade and the high school grade that a student earns may not necessarily be equal, as the grades may be calculated differently.
- 2.14 **UW Credit.** To comply with UW regulations governing the issuance of credit, students registering for UW credit will spend a minimum of 50 hours in the classroom and 100 hours doing outside homework for any five-credit course. Exceptions include CSE 142, which is a four-credit course, and CHEM 110, which is a variable-credit course worth either three credits (no labs or lab sequence not approved by UW) or five credits (lab sequence approved by UW). For CHEM 110, Teacher's lab sequence must be approved by UW by the deadlines and the process outlined in the course handbook provided to teachers by the UW Chemistry department.
- 2.15 **UW Transcript.** Registered students establish an official and permanent UW transcript. The students' final grade or course status and their earned UW credits will be recorded on their UW transcript. Transfer of these credits will be determined by the college or university to which the student matriculates. Students are responsible for communicating with prospective institutions about transfer of UW credits.
- 2.16 **High School Credit.** District is responsible for all matters related to the high school credit and transcripts, including using UW course titles and the "College in the High School" course designation code (C), per Washington "College in the High School" rules and OSPI guidelines, for all students in the course, regardless of whether or not registered to earn UW credit. Per WAC 392-725, college courses are to be transcribed with the conversion rate of 5 quarter credits resulting in 1.0 high school credit, regardless of duration of course in the high school or whether or not a student registers to earn college credit.
- 2.17 **Campus visits.** If a School brings groups of students to the UW campus, supervision of those students is the School's responsibility.
- 2.18 **Data Sharing.** Upon request, District and UW may share and compare lists of their UWHS students for each course. For student data subject to FERPA, District and UW will be considered a "school official" with a "legitimate educational interest," as those terms are used in FERPA and its implementing regulations with respect to the other party's student data. Each party's use of the other party's student data will comply with FERPA and other state and federal laws regarding confidentiality, and will be protected with the same care that the protecting party uses to protect its own student data, and in accordance with WA state data protection policies. In the event of an unauthorized disclosure of student data, the party in breach will a) promptly notify the other party of the unauthorized disclosure and take any

requested actions to minimize the breach, and b) indemnify the other party against any and all costs related to the unauthorized disclosure of information, including the costs of any notification campaign required under WA State law.

3. Payment

- 3.1 **Fees to Register.** To enroll for UW credit, students will pay \$65 per UW credit, plus a \$45 registration fee. These fees are non-refundable unless the UW course is cancelled for UW credit by UWHS, in which case all fees for students currently registered in that course are refunded.
- 3.2 **Payment by Student.** These funds will be made payable to the UW at the time that students register.
- 3.3 **Payment by State Funding.** In the event that District receives approval from the state for state funding for UW courses, the terms and conditions of Exhibit B and/or C pertaining to State Funding programs shall apply.
- 3.4 **Payment by Third Party.** The School or District may choose to collect funds from its students or pay on behalf of students via Purchase Order or other payment means at the rates in Section 3.2 above. If the School or District makes payment as a third party, the School or District must submit both the student registration and payment by the registration deadlines. Please contact UWHS to confirm payment arrangements and request general instructions.

Exhibit B: State Funding through OSPI

In 2015, the WA Legislature passed ESSHB 1546, which provides state funding for student participation in “College in the High School.” Under that legislation, school districts may apply for funding through the Office of Superintendent of Public Instruction (OSPI). Approved districts will receive state funds for eligible students participating in a “College in the High School” program, with 100% of funding passed through to the college or university administering the program. For the 2020-2021 school year, state funding is \$65 per credit.

UW and District agree to the following additional terms to implement the state funding of students, sharing of student data, and payment of funds due UW. The terms of this Exhibit B shall apply only if District receives approval from the state for this state funding program for UW courses offered through the UWHS program.

- B.1 District represents that UW courses offered within the district have been selected for state funding. District is responsible for ensuring with OSPI the accuracy of UW courses eligible for state funding.
- B.2 District is responsible for record-keeping and verification of student eligibility for state funding for each student, and for notifying its UWHS students of any state requirements for eligibility for state funding.
- B.3 In the event that District incorrectly identifies a UWHS student as eligible for state funding to UW and that funding is later denied by the State and/or OSPI, District is responsible for payment of a per-credit fee equal to the state funding to UW.
- B.4 District is responsible for collecting, reviewing, tracking, and submitting registration materials for state-funded students in UWHS courses to UW according to posted registration deadlines for the UWHS program.
- B.5 Enrolled students who wish to drop a UW course must do so by following the process and deadlines on the UWHS website. The drop will be recorded on the student's UW transcript in accordance with UW policies.
- B.6 Students not eligible for state funding may register and self-pay for courses. School or District may also pay on behalf of students as a Third Party Payer. The standard fees will apply, as stated in Section 3.2 of the Agreement.
- B.7 District and UW will share and compare lists of UWHS students and their funding status for each course at the conclusion of each registration period and the end of the course.
- B.8 District is responsible for timely communications with OSPI and UW regarding state funding, and to follow all state policies and procedures for requesting, receiving, and transferring state funds to UW.
- B.9 The parties acknowledge that state funding is provided for students who are awarded a UW grade in the UWHS course. State funding is not provided for students who drop or withdraw from a UW course. Course fees for students who registered for a course with state funding and who drop or withdraw from the course will be paid by UW.
- B.10 District will promptly request funds from OSPI within thirty days of the end of each course(s), and remit 100% of state funding received for students completing UW courses within thirty days of receipt of the funds from OSPI. UW will provide an invoice to facilitate payment.

Exhibit C: State Funding through WSAC

In 2019, the WA Legislature passed SSB 1973, which provides state funding for student participation in “College in the High School” and “Running Start” programs. Under that legislation, school districts may apply for funding through the Washington Student Achievement Council (WSAC). Approved districts will receive state funds for eligible students participating in a “College in the High School” program, with 100% of funding passed through to the college or university administering the program. For the 2020-2021 school year, state funding is \$65 per credit.

UW and District agree to the following additional terms to implement the state funding of students, sharing of student data, and payment of funds due UW. The terms of this Exhibit C shall apply only if District receives approval from the state for this state funding program for UW courses offered through the UWHS program.

- C.1 District represents that UW courses offered within the district have been selected for state funding. District is responsible for ensuring with WSAC the accuracy of UW courses eligible for state funding.
- C.2 District is responsible for record-keeping and verification of student eligibility for state funding for each student, and for notifying its UWHS students of any state requirements for eligibility for state funding.
- C.3 In the event that District incorrectly identifies a UWHS student as eligible for state funding to UW and that funding is later denied by the State and/or WSAC, District is responsible for payment of a per-credit fee equal to the state funding to UW.
- C.4 District is responsible for collecting, reviewing, tracking, and submitting registration materials for state-funded students in UWHS courses to UW according to posted registration deadlines for the UWHS program.
- C.5 Enrolled students who wish to drop a UW course must do so by following the process and deadlines on the UWHS website. The drop will be recorded on the student's UW transcript in accordance with UW policies.
- C.6 Students not eligible for state funding may register and self-pay for courses. School or District may also pay on behalf of students as a Third Party Payer. The standard fees will apply, as stated in Section 3.2 of the Agreement.
- C.7 District and UW will share and compare lists of UWHS students and their funding status for each course at the conclusion of each registration period.
- C.8 District is responsible for timely communications with WSAC and UW regarding state funding, and to follow all state policies and procedures for requesting, receiving, and transferring state funds to UW.
- C.9 The parties acknowledge that state funding is provided for students who are awarded a UW grade in the UWHS course. State funding is not provided for students who drop or withdraw from a UW course. Course fees for students who registered for a course with state funding and who drop or withdraw from the course will be paid by UW.
- C.10 District will promptly request funds from WSAC within thirty days of the end of each course(s), and remit 100% of state funding received for students completing UW courses within thirty days of receipt of the funds from WSAC. UW will provide an invoice to facilitate payment.
