Issaquah High School Car Pooling Program

Action to be taken: Presented for Board information – no action necessary.

Julia Bamba, ASB advisor, and student representatives will make a presentation to the Board on the car pooling program developed by IHS students to help address traffic and parking congestion during the building remodel at Issaquah High.

In addition to successfully addressing a difficult problem at many high schools under the best of circumstances – student parking – this car pooling program also directly supports E-3 Citizenship and E-6 Life Management. Most directly,

E-3 Citizenship

Students will:

E-3.6 recognize how their personal and collective actions impact the environment

E-6 Life Management

Students will:

E-3.6 cooperate and collaborate within a diverse group of people in order to attain desired outcomes
