Calendar and Future Agenda Topics (GP-5) – Board

Action to be taken: Action, if any, determined through board discussion.

This is an opportunity for the board to discuss any meetings/events/activities related to the Issaquah School District, and identify future agenda topics for school board meetings.

The Board has indicated that the following meetings need to be scheduled:

1. A work/study regarding the key findings from math survey work/conversations and how the District will implement those as a system to best support all learners.
 2. Future facilities needs
 3. Enrollment growth
