OSPI 2010 Energy Operational Cost Savings Grant – Resolution to accept the Grant and Proceed With Work – Crawford

Action to be taken: **I move the board adopt Resolution No. 979 authorizing the Issaquah School District No. 411 to accept the grant and proceed with the work included in the 2010 Energy Operational Cost Savings Improvement Grant awarded by OSPI.**

This Board Resolution is required as a part of the 2010 Energy Operational Cost Savings Grant approved by OSPI. The Grant is for $1,300,000; the District contribution will be $2,200,000 for a total project cost of $3,500,000.

These energy savings projects include HVAC, lighting and water conservation measures that, based on a recently completed investment grade audit, are predicted to save the District $172,000 per year.

Steve Crawford will be present to answer any questions the board may have regarding this recommendation.
