Gifted/Highly Capable Programs State Grant Approval – Bongard

Action to be taken: I move the Board authorize The Gifted/Highly Capable Students Program grant as presented.

School Board approval of the Highly Capable Programs application is required annually under WAC 392-170-025. The grant being applied for is a renewal, and will provide a portion of the funding used for our district's elementary gifted programs (approximately 20-25% of the SAGE program). If this grant application is accepted, an estimated \$149,372 will be allocated to the Issaquah School District.
