REASONS FOR TRANSFERRING TERRITORY:

Parcel is contiguous to the Issaquah School District (ISD) Boundary. Parcel is accessed via a paved driveway from the North (ISD) side. Although the parcel is also contiguous to Jones Road, there is no access whatsoever to the residence from that side. Hiking to the Jones Road boundary can be accomplished through bushwhacking down the hillside. The hike is a dangerous adventure that takes up to 45 minutes to negotiate the heavily forested terrain in nice dry weather. Reaching the Jones Road boundary by car involves a 15 minute drive that would require the use of Cedar Grove Road to the East or SE 156/154 to the West. Our daughter, Katie, has been attending Maple Hills Elementary within the ISD for the past 3 years. We weren't even aware of the district boundary confusion until recently when we attempted to vote on the current ISD bond. Maple Hills is 0.7 mi away while Shadow Lake Elementary is 13.8 miles away. There is no Bus service to Shadow Lake. Maple Hills has 6 busses that pass our driveway twice each day. Her current bus stop has been established at our driveway's end for the past 3 years.
