Issaquah Middle School – Acceptance of the SEPA Checklist and Mitigated Determination of Non-Significance – Crawford

Action to be taken: I move the board accept the SEPA Checklist and Mitigated Determination of Non-Significance (MDNS) for the Issaquah Middle School project.

The Issaquah School District issued the SEPA Checklist and the Mitigated Determination of Non-Significance on March 11, 2015 for the Issaquah Middle School. The published documents include Development Commission and City staff comments. No substantial comments and no appeals were received from interested parties. Therefore there are no substantive changes to the SEPA Checklist, MDNS or the project as proposed.

Steve Crawford will be available to answer any questions the board may have regarding the Issaquah Middle School SEPA Checklist and Mitigated Determination of Non-Significance.
