

**Issaquah School District  
Executive Limitations Monitoring Report**

**EL-5 ACTUAL FINANCIAL CONDITION AND ACTIVITIES  
(External Annual Audit Report)  
Wednesday May 13th, 2015**

**The Superintendent certifies that the District is in compliance with EL-5 with  
no exceptions.**

*With respect to the actual, ongoing financial condition and activities of the District, the  
Superintendent shall not cause or allow the development of fiscal jeopardy or material  
deviation of actual expenditures from Board priorities established in Ends policies.*

**Interpretation**

I interpret this to mean that we will manage the District's program and budget to avoid any risk of fiscal jeopardy or material deviation of budgeted expenditures.

**Evidence of Compliance**

I certify that the District is not at risk of financial jeopardy as demonstrated by periodic financial reports.

The Board has been previously provided electronic copies of the 2013-14 Accountability Audit Report and the 2013-14 Financial Statements and Federal Single Audit Report. (Attached) These reports state that the District is accountable for public resources and has "complied with state laws and regulations and its own policies and procedures. Internal controls were adequate to safeguard public assets. We noted no instances of noncompliance that were material to the financial statements of the District."

This was the 13<sup>th</sup> consecutive annual audit that noted no findings or management letter items.

Audit standards (SAS 114) require that audit results be directly communicated by the State Auditor's Office to all members of the governing body of the entity. This audit standard adds another line of communication to all members of the governing body, ensuring timely receipt of the annual audit reports.
