Capital Facilities Plan – Kuper and Crawford

**Action to be taken: I move the Board adopt Resolution No. 1057 establishing the Issaquah School District 2015 Capital Facilities Plan (CFP) and School impact fees.**

In compliance with the requirements of Washington's Growth Management Act and King County Ordinance 10162, which address school impact fees, local school district CFP's require annual approval.

At the June 24, 2015 board meeting, the Board approved submission of the drafted 2015 Capital Facilities Plan to the King County Technical Review Committee (KCTRC). The Plan was presented to the Committee on July 15, 2015 and there were no changes recommended.

Public comments/appeals were taken through July 2, 2015, though none was received. A copy of Resolution No.1057 adopting the District's 2015 Capital Facilities Plan is attached.

Jacob Kuper and Steve Crawford will be available to respond to board questions.
