**AP Computer Science Course Equivalency – Thiele**

**Action to be taken:** I move the Board approve AP Computer Science courses as equivalent to high school mathematics or science, and that it shall be noted on student's transcript that AP Computer Science qualifies as a math-based quantitative course for students who take the course in their senior year. In order for AP Computer Science to be approved as equivalent to high school mathematics, the student must be concurrently enrolled in or have successfully completed Algebra II.

The above action taken by the Board is consistent with RCW 28A.230.097
