Liberty High School and Skyline High School Track Resurfacing - Rejection of Small Works Bids
– Kuper/Crawford

Action to be taken: I move the Board reject the bids received for the Liberty High School and Skyline High School Track Resurfacing project and authorize Administration to use KCDA for procurement or go out for formal bid.

The District asks the Board to reject the Small Works bids received from Hellas Construction Inc. and Beynon Sports Surfaces submitted for the Track Resurfacing projects at Liberty High School and Skyline High School. Administration is asking the board for authorization to use KCDA for procurement or go out for formal bid.

Jake Kuper and Steve Crawford will be present to answer any questions the Board may have regarding this recommendation.
