

Community members are the owners of the school district. The purpose of the Board, on behalf of the Issaquah School District community, is to see that (a) the Issaquah School District achieves appropriate results for students reflective of overall community values. ~~at an appropriate cost (as specified in the Ends policies), and (b) avoids unacceptable actions and situations (as prohibited in the Board's Executive Limitations policies).~~

*December 14, 2005 – Adoption*

**Summary of changes:**

**Delete (a) in line two**

**Add period after 'values' in line 3, and delete the rest of the verbiage.**
