CONSENT AGENDA

Interlocal Agreement – Purchasing Agreement with National Cooperative Purchasing Alliance (NCPA)

Action to be taken: I move the board adopt Resolution No. 1075 authorizing the Superintendent to enter into an Interlocal Agreement with the National Cooperative Purchasing Alliance (NCPA) to engage in the cooperative procurement of supplies, equipment and services through NCPA.

The National Cooperative Purchasing Alliance (NCPA) is a national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA serves public and private school districts, higher education, local governments and state agencies. NCPA contracts are competitively bid and allow government entities the advantage of leveraging the cooperative's ability to obtain discounts.
