CONSENT AGENDA

Interlocal Agreement – 1GPA (1Government Procurement Alliance)

Action to be taken: I move the board adopt Resolution No. 1166 authorizing the Superintendent to enter into an Interlocal Agreement with 1GPA (1Government Procurement Alliance) to engage in the cooperative procurement of supplies, equipment and services.

1GPA (1Government Procurement Alliance), based in the State of Arizona, is a national, non-profit purchasing cooperative of government entities which competitively bids and awards contracts to vendors in compliance state statutes and federal procurement laws and regulations. Contracts are available to public and private schools, cities, counties, state entities, colleges, universities and Native American communities, and allows members the advantage of pooled purchasing power to leverage the cooperative's ability to obtain discounts.

Jake Kuper will be available to answer questions.
