

Teaching out of Endorsement - Tow-Yick / Hood

Action to be taken: I move the Board approve the following employees be allowed to teach specific classes/subject areas/long term leaves and/or other specific scenarios as approved by the ISD, but whom are also out of endorsement (OOE) in accordance with the Office of State Superintendent of Public Instruction (OSPI), as presented.

Staff Teaching a Class Out of Endorsement 22-23 (Part 2)

OSPI requires that the School Board approve anyone teaching out of endorsement annually. This is the updated list for school year 22-23. Several ISD staff from multiple departments met with OSPI staff to review each situation on May 1, 2023, and at the request of Human Resources. This meeting was very successful and OSPI agreed with the ISD team that in most cases, the problem lies with the course code, not the endorsement. Professional Educators Standards Board map courses and course codes to areas of endorsement and there is more work to be done to better match course codes to areas of endorsement (i.e. dance is a form of physical fitness and likely not solely a fine arts endorsement areas).

On June 30, 2023, OSPI informed the Human Resources Department of additional teachers teaching out of endorsement as follows:
