ESSB 5950 - Section 504(8)(a)(ii) page 688:

(ii) For the 2023-24 school year and 2024-25 school year, as part of the budget development, hearing, and review process required by chapter 28A.505 RCW, each school district must disclose: (A) The amount of state funding to be received by the district under (a) and (d) of this subsection (8); (B) the amount the district proposes to spend for materials, supplies, and operating costs; (C) the difference between these two amounts; and (D) if (a) (ii) (A) of this subsection (8) exceeds (a) (ii) (B) of this subsection (8), any proposed use of this difference and how this use will improve student achievement.

(Note: If the MSOC allocations exceed MSOC expenditures, the district must report any proposed use of the difference and how this use will improve student achievement.)

In the 2024-2025 school year, an additional \$21.00 per AAFTE was generated by the apportionment formula as the result of ESHB 2494. As part of budget development, the **Issaquah School District** certifies the increased allocation is being used to address growing costs in utilities and insurance, instructional professional development and security and central office administration.
