

Advance Notice  
April 22, 2015

**E-4 Technology – Thiele**

**Action to be taken:            No action at this time, for discussion only.**

The first reading of E-4 Technology came before the Board on March 25. This monitoring report has been updated and incorporates changes discussed during that meeting. It will now come before the Board for a second reading with action anticipated during the May 13 regular board meeting.
