Sunny Hills Elementary Rebuild – Acceptance of the SEPA Checklist and Mitigated Determination of Non-Significance – Crawford

**Action to be taken: I move the board authorize the Superintendent to accept the SEPA Checklist and Mitigated Determination of Non-Significance (MDNS) for the Sunny Hills Elementary School Rebuild project.**

The Issaquah School District issued the SEPA Checklist and the Mitigated Determination of Non-Significance on April 15, 2015 for the Sunny Hills Elementary School Rebuild project. The comment/appeal period will end 4/29/15. We would prefer the board authorize the Superintendent to accept the SEPA Checklist and Mitigated Determination of Non-Significance (MDNS) if there are no substantial comments and no appeals received by the end of the comment/appeal period. This will allow the City of Sammamish to move forward in their permitting process two weeks earlier than would be possible waiting until the 5/13/15 board meeting.

Steve Crawford will be available to answer any questions the board may have regarding the Sunny Hills Elementary School Rebuild SEPA Checklist and Mitigated Determination of Non-Significance.
