CONSENT AGENDA

Interlocal Agreement – Puget Sound Joint Purchasing Cooperative – Kuper/Olson

Action to be taken: I move the board adopt Resolution No. 1056, authorizing the Superintendent to renew the Interlocal Agreement with the Puget Sound Joint Purchasing Cooperative (PSJPC), to reduce respective costs in purchasing various food products, supplies, services, equipment, and USDA commodity processing, storage and transportation services for participating school districts. This agreement would begin for the school year 2015-16 and continue for 5 years.

The Puget Sound Joint Purchasing Cooperative (PSJPC) consists of school districts and educational service districts in the state of Washington, aggregating purchases of food and related products, including the processing, storage and transportation of USDA commodities. The Cooperative will solicit bids in accordance with RCW 28A.335.190 and award contracts to successful bidders. The Interlocal Agreement renewal is necessary due to the expiration of the previous agreement.

Each year the Issaquah School District pays the Co-op a prorated portion of the fee based upon the total equivalent lunches as reported on the last OSPI 1800D report, with a minimum fee of \$300. Fees will be determined by the PSJPC Executive Committee on an annual basis and shall be assessed to each Member District to reimburse documented actual administrative, legal, insurance and other costs.

Jake Kuper will be present to respond to any questions.
