## **CONSENT AGENDA**

### Interlocal Agreement – Purchasing Agreement with ESD112 – Maybee/Kuper

**Action to be taken: I move the board adopt Resolution No. 1099, authorizing the Superintendent to renew an Interlocal Agreement with the Educational Service District (ESD) 112 to contract for the purchase of technology equipment, furniture, supplies and other equipment.**

The ESD112 has competitively bid contracts on behalf of K-20 for quality classroom technology equipment through its DigitalEdge program. It has also competitively bid furniture, supplies and other equipment. The prices established by these RFPs on behalf of all school districts in the State of Washington, regardless of their size or purchasing power, afford the districts the best possible purchasing opportunities for technology equipment, furniture, supplies and other equipment..

Jake Kuper will be available to answer questions.
